Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a *Contaminated Soil Clean Up project* in fiscal year 2022. The entity to receive funding for this project is *Herriman City* located at:

*Herriman City
5355 W. Main Street
Herriman, UT 84096*

The funding would be used for a *Contaminated Soil Clean Up project which would clean up soil in 15 acres of city property. The City property has elevated levels of lead and arsenic due to runoff from the Kennecott Copper Mine.*

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
